GENERAL AGREEMENT

between

**KHARKIV NATIONAL AUTOMOBILE AND HIGHWAY UNIVERSITY,
MECHANICAL FACULTY, UKRAINE (KhADI)**

and

**LODZ UNIVERSITY OF TECHNOLOGY, FACULTY OF MECHANICAL
ENGINEERING, POLAND (TULW1)**

PREAMBLE

Kharkiv National Automobile and Highway University, Ukraine, Mechanical Faculty hereinafter called KhADI, represented in this deed by its Dean, Professor Kirichenko Igor Georgievich

and

Lodz University of Technology, Faculty of Mechanical Engineering, hereinafter called TULW1, Lodz, Poland and represented in this deed by its Dean, Professor Tomasz Kubiak.

Article 1. Aim

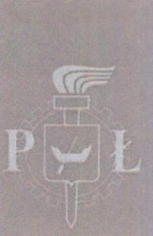

The aim of the present Agreement is to define the framework in which joint actions by KhADI and TULW1 shall be taken to promote the exchange of persons, activities and experience in relevant areas of higher education and research.

Article 2. Nature of Exchange

In order to develop joint actions in faculties and research centres co-ordinated or annexed to them, both KhADI and TULW1 will promote:

- Exchange of students, researchers and university staff
- Study sessions, workshops and seminars on previously agreed subjects
- Exchanges of information, documentation and scientific publications
- Exchanges of students through visits or training periods in companies.

Article 3. Teaching

Both Parties shall promote the exchange of students within the framework of specific cooperation agreements between their faculties and centres. These specific cooperation agreements may lead to double degree programmes implementation, providing that the conditions for this are specified in the agreements.

Both Parties shall take the necessary steps to encourage the students to participate in the exchange programmes. To this end, they shall exchange all documents that may inform candidates about the study programmes offered.

Article 4. Research

Both Parties shall encourage co-operation between research groups. The aim of this co-operation is to promote the exchange and the discussion of advanced research projects.

In this context, the exchange of doctorate students will occur according to conditions established by the specific agreements.

Article 5. Financial Aid

Both Parties agree to take action to obtain financial support for students exchanges under the Ukrainian-Polish or international programmes or from other financial resources.

Article 6. Organization and Follow-up

In order to achieve the aim established in article 1, both parties shall appoint a person to be responsible for the co-operation.

The parties shall consult each other as often needed. The parties will meet at least once a year to decide on further actions and to ensure the effects of action currently taken.

Both parties will keep in contact with each other in order to pursue the aim of this Agreement.

The person responsible for the fulfillment of this agreement are:

Lodz University of Technology

Faculty of Mechanical Engineering

From the Faculty of Mechanical Engineering, Lodz University of Technology – Marek Klich and from the Kharkiv National Automobile and Highway University, Mechanical Faculty, Ukraine - Prof. Diana Hlushkova.

Article 7. Tuition Fees, Costs

No tuition fees are required at TULW1 for scientific groups from KhADI and likewise at KhADI for scientific groups from TULW1.

No commitment has been entered into by the parties with regard to such costs as may be involved in the exchange.

Article 8. Insurance Cover

Both parties agree to take action to facilitate arranging necessary insurance cover in case of sickness and accident of the persons taking part of the exchange under this Agreement.

Article 9. Duration of Agreement

This Agreement will enter into force from the date of signature by both parties. It remains in effect for a term of three years and shall be automatically renewed for successive terms one year unless terminated by either party by six months\notice in writing. In this case, persons still engaged in activities begun such notice was given shall retain all rights conferred under this Agreement until the activity in question is ended.
